Louisiana Strong!

I sincerely hope all of our Woodvale families fared okay during Hurricane Delta. Please reach out if there is anything we can do for you at this time. Our campus experienced some minor damage on our playground and cafeteria, and we have a few fallen trees. The district has deployed a service crew to assist with clean-up. We are also hosting our regularly scheduled beautification day this Saturday morning. Any help with power washing and debris pick-up would be greatly appreciated. We are still looking for volunteers on our PTC committees. See page 2! Our Leader in Me Habit 2 is beginning with the end in mind. See more on page 3! Thank you, Ms. Vidos

Thank you to everyone for joining the PTC! If you haven't already, please fill out this **questionnaire** with your volunteer preferences and availability for many opportunities throughout the year. Your committee chair will be in touch! Our first big event is our annual Symposium. Our theme this year is art. T-shirts will be on sale soon!

Habit 2: Begin With the End in Mind

Habit 2 reminds us to think about how you would like something to turn out before getting it started. We plan ahead and set goals for ourselves. We are prepared at all times. We think about how the choices we make now will affect our future. We think about the positive or negative consequences of our actions before we act.

How Can We Practice Habit 2 at home?

Everyone sets goals! Habit 2: Begin With the End in Mind reminds us to come up with a plan to create steps we need to take in order to reach a goal or accomplish something important to us.

Discuss these questions with your family:

Have you ever reached a goal before? What happened when you reached your goal?

What is a goal you have set for yourself? How are you going to meet that goal?

What might happen when you don't follow your plan and don't reach your goal?

Hiking Up Leadership Mountain!

Please talk with your child(ren) about goals that they have set during the school year and their plan to reach their goals. As a family, set a goal that you would all like to achieve. Once you find a goal you would like to meet, come up with a plan on how you will all reach that goal.
