Boo to You!

We are so excited to host our Boo Bash this Friday!

Your children may wear appropriate Halloween costumes as long as they are able to do their work. Our Annual Symposium has been postponed until spring due to LPSS COVID-19 guidelines that continue to remain in place. T-shirt orders have been put on hold. If you have previously ordered a shirt, we will add those orders when we place the order in the spring. If you would prefer a refund, please email me at:

mhvidos@lpssonline.com. Please check out Habit 4 on page 3. Please note active links in this newsletter are underlined and in bold! Thank you, Ms. Vidos

Q&A

Habit 4: Think Win-Win

Habit 4 reminds us to be problem solvers when an issue comes up with another person. We think about what other people want and not just what we want. We are kind to others and try to think of ways to help everyone be happy.

How can we practice Habit 4 at home?

It is important to think of others as well as yourself in all situations! Habit 4: Think Win-Win reminds us that working together so everyone is happy and satisfied is more important than having a winner and a loser.

Discuss the vocabulary/situations of Think Win-Win with your family:

Win-Win: "Let's find a solution that works for both of us."

Win-Lose: "I'm going to beat you no matter what."

Lose-Win: "I always get stepped on, pushed around."

Lose-Lose: "If I'm going down, you're going down with me."

Win: "As long as I win, I don't care if you win or lose."

Win-Win or No Deal: "Let's find a solution that works for both of us or let's not play."

The Rainbow Fish

Watch the video of the [Rainbow Fish found on Storyline Online](#).

As the story is playing, identify any of the above situations.

Make a handprint fish by working together with your family members. Keep in mind Habit 4: Think Win-Win - both voices heard when deciding how to decorate this fish.
